New Business:

Unsure on where to submit your LTC business? With our New Business teams and our amazing underwriters from app submission to placement we are averaging 25 days. Why wait? Contact sales today at: 866-475-6925

Underwriting:

Remember, that no level of insulin use is insurable on either Worksite nor Individual business.

Always remember to ask the applicant, Is there any medical history or symptoms that you have not discussed or not asked on the application? Underwriting will find it during the process and it's better to address it ahead of time.

Please always list the reasons why medications are taken and the dosage.
